**Linkedin:** <https://www.linkedin.com/in/ghasali-muhammad-elba/>

## SUMMARY

I am a highly organized and detail-oriented professional with practical experience in inventory control, administrative operations, and order fulfillment. I possess strong competencies in data entry, stock reconciliation, and maintaining the accuracy of inbound and outbound goods. My involvement as an organizer in a nonprofit community has further refined my teamwork, communication, and coordination skills. I am dedicated to supporting efficient warehouse operations and consistently uphold high standards of accuracy, reliability, and accountability in every task undertaken.
